13th January 1922.

My dear Mr. Chakravarti,

Many thanks for your letter of the 8th Instant. I am glad you are hale and hearty.

I am enclosing for your kind perusal copies of the latest correspondence in the matter of the Surplus Revenues. My object in sending these is chiefly to keep you posted with such important matters. Any suggestions that you may feel disposed to make will, I need scarcely add, be always welcome.

With kindest regards,

Yours sincerely,
